About H D Tribe Ltd

Losing someone close to us is a painful and challenging experience. And yet, while we are still coming to terms with the loss, there are certain formalities to be observed and some special arrangements, such as the funeral, to be made.

Our aim at H D Tribe is to make the whole funeral process as simple and as stress-free as possible for you, by offering a complete funeral service, ensured by H D Tribe's long-established reputation for quality, dignity and reliability. We support people throughout the entire funeral process from offering pre-paid funerals and making all the formal arrangements, through to the important details like providing funeral flowers, printed Order of Service, giving suggestions for funeral poetry, organising caterers and stonemasons.

We have a number of chapels of rest for private prayer and to allow friends and relatives to pay their respects. These can be found in Goring-by-Sea, Sompting, Shoreham, Broadwater, Lancing, Storrington and Rustington. Having two multi-denominational chapels in Broadwater and Shoreham means we can offer funerals when the crematorium and other local chapels are either unavailable or not quite appropriate for the desired funeral. They are equipped with modern

facilities including the ability to stream the service online for relatives who are too far away to attend the funeral.

We have been an independent family run Funeral Directors since 1929, so we know how to ensure your loved ones receive the respect and dignity they deserve. With eight offices covering most of West Sussex, we are ideally positioned to give you an efficient, local and dedicated funeral service. As one of only 34 members in Europe of the National Selected Morticians, we have a proven reputation for providing outstanding quality and service.

Our phones are manned

Playing Sudoku

To solve a Sudoku puzzle, every number from 1 to 9 must appear in:

- Each of the nine vertical columns
- Each of the nine horizontal rows
- Each of the nine 3x3 blocks

Remember no number can occur more than once in any row, column or 3x3 block.

Playing Crosswords

Crosswords are one of the greatest word association puzzles of all time. Our 13x13 crosswords are easy to do in one session or complete over time. Using the clues provided fill in the answers moving left to right and top to bottom. Work with a friend if you want as sometimes two heads are better than one when solving a crossword puzzle. The more puzzles you do, the more familiar you'll be with standard puzzle clues and answers.

Playing Wordsearch

Find all the words listed hidden in the grid of letters. They can be found in straight lines up, down, forwards, backwards or even diagonally.

Playing Code Cracker

Each number represents a different letter of the alphabet. Work out which number stands for which letter to complete the crossword. We've given you three letters to start. All words are from a dictionary and no proper nouns are used. All letters of the alphabet are not always used. When you have cracked the code fill in the answer in the boxes at the bottom.

Playing Word Circle

Connect the letters in the circle to make hidden words.

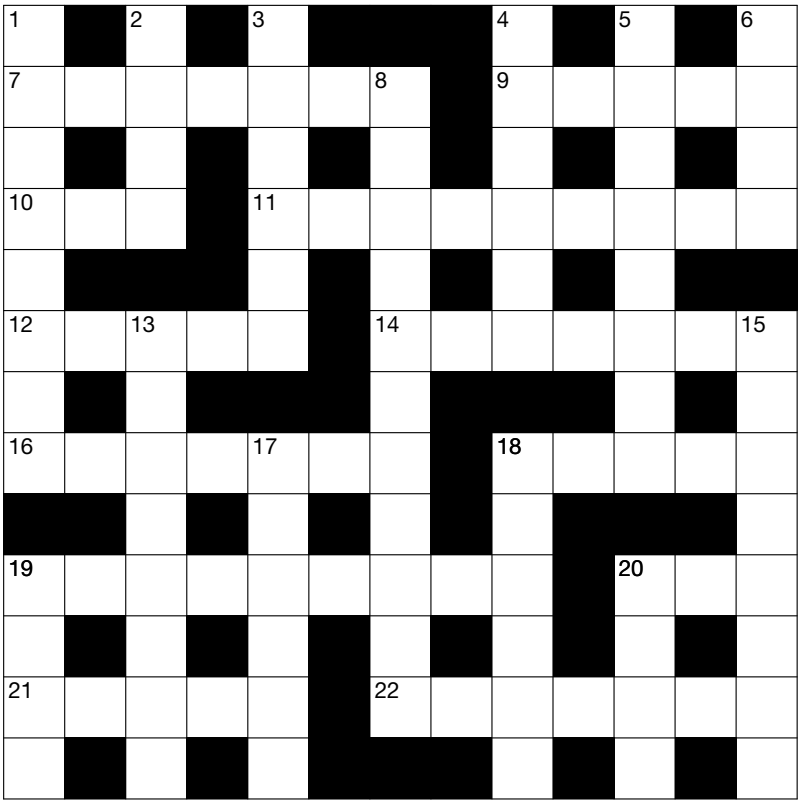

Playing Trivia

Trivia is a great way to test your memory for general knowledge and history. Simply write your answers below the questions and check to see how many you got right. Great to do with friends or on your own.

Colouring for adults

Like painting and craft, colouring offers a great source for focus and creativity. It has been shown to have stress-reducing benefits and helps with anxiety in people of all ages. It is a great social activity that produces a similar effect on the brain to meditation.

Broadwater Chapel

Our Service Chapel is a great source of pride for us at H D Tribe because it offers an alternative funeral venue for when the Crematorium, or other local chapels, are too big, unavailable or simply not right for the funeral service you wish to arrange. Holding a funeral in our Service Chapel is also a convenient alternative to holding it elsewhere because of the facilities we can offer and the way we can care for mourners before, during and after the funeral.

H D Tribe's Chapel offers a unique and calming environment to hold funerals in and seats up to 40 people. There is no time pressure and a funeral can take place within the normal 7-10 days. A state-of-the-art music and lighting system is available and the plasma screen enables a wide range of images to be displayed. Viewing a showreel of old family photographs has already become a favourite in our chapel – a moving and personal tribute.

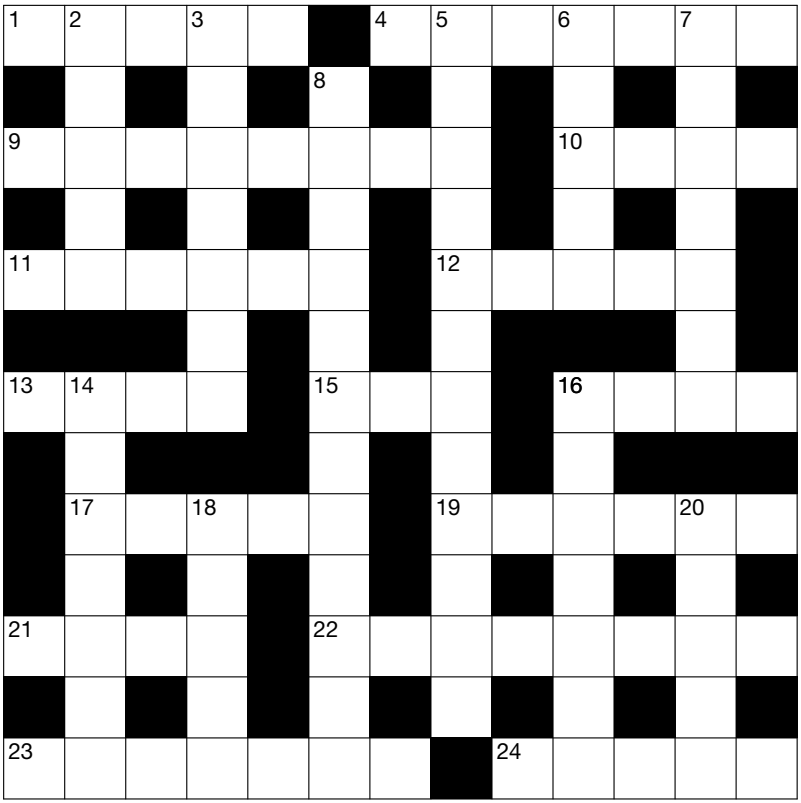

Friends or relatives who are unable to attend the funeral in person can still be part of the chapel service by watching and listening from anywhere in the world via the live web-stream or Zoom.

A function suite inside the premises allows families to adjourn for refreshments immediately after the funeral service, thus keeping everyone together, and H D Tribe's fleet of limousines are available to bring mourners in and take them home afterwards.

By using our Chapel and not one of the local crematoriums, savings of up to £530.00 can be achieved, meaning H D Tribe can now charge less than most of their competitors while still offering their renowned level of care, dignity and professionalism.

Pre-Paid Funeral Plans

Who would have a pre-paid funeral plan? Maybe a single person with no close next of kin who would consider it a practical way of getting their affairs in order. Perhaps a couple with no immediate family to help the bereaved partner when the time comes. It could be someone with specific ideas about their funeral and a plan ensures those wishes are carried out. The largest group consists of people who just want to be helpful ensuring that family left behind don't have to make any difficult decisions. There is also the financial benefit of a pre-paid plan as funeral costs continue to rise.

We strongly advise that anyone who is considering a pre-paid funeral plan should speak first to one of our qualified funeral directors where our free advice comes without obligation. Funeral plans are regularly advertised in newspapers, magazines, via mail drops and even on the TV! These plans can frequently restrict your choice of a funeral director and involve unnecessary extra expense. If you deal directly with the funeral director, you can save on third party costs and enjoy peace of mind with regards your plan.

Quite often families contact us to explain that their loved one has taken out a pre-paid plan and they have been allocated a funeral director they are not confident with. In most of these situations we can speak to the provider, take over the plan, and ensure that their loved one can have an H D Tribe funeral.

If you are thinking about taking out a plan, our advice is to always speak to a local qualified funeral director first. Of course, we would prefer you used our services, but even if you didn't we would strongly recommend that you use another local firm, rather than buy it online or from a newspaper.

For free advice without obligation, please call us on **01903 234 516** or email **enquiries@hdtribe.co.uk**

Henry Ainsley – The Bearded Runner

Walking the Length of Britain for Mental Health

This summer, Henry – better known as The Bearded Runner – is taking on an epic challenge: walking from Land's End to John o' Groats. That's nearly 1,000 miles, one step at a time, across the length of the UK. He reckons it'll take about a month… and a whole lot of determination (and probably a few blisters!).

Why is he doing this?

Because mental health matters. Henry is passionate about raising awareness and breaking down the stigma that surrounds mental health struggles. Along the way, he'll be sharing stories, starting conversations, and reminding us all that it's okay to ask for help.

He's raising money for Mending Fences, a CIC (Community Interest Company) dedicated to supporting mental health and helping people rebuild their lives. Every pound you donate will go toward providing vital resources and support for those who need it most.

Why Support Henry?

He's walking the entire length of Britain – that's no small feat! He's doing it to make a real difference for mental health. He's got a beard that deserves its own postcode.

How You Can Help:

Donate whatever you can – every little helps! Share this page with friends, family, and colleagues. Follow Henry's journey on social media and cheer him on.

Together, we can raise funds, raise awareness, and help Mending Fences UK continue their incredible work.

Let's turn miles into smiles. Support Henry today!

Donating through JustGiving is simple, fast and totally secure. Your details are safe with JustGiving – they'll never sell them on or send unwanted emails. Once you donate, I will withdraw funds directly. It's the most efficient way to donate and saves time and costs.

H D Tribe Testing Trivia 35-37

35. Who wrote 1984?

36. What force keeps us on the ground?

37. What spice is saffron made from?

Shoreham Chapel

At H D Tribe, we are very proud of our new Service Chapel in Shoreham which offers an alternative venue for when the Crematorium, or other local chapels, are too big, unavailable or simply not right for the service you wish to arrange.

Opened in 2017 the Shoreham Chapel offers a unique and calming environment in which to hold a funeral service while seating up to 80 people. There is no time pressure, and a funeral can take place within the normal 7-10 days. A state-of-the-art music and lighting system is available and the plasma screen enables a wide range of images to be displayed. Viewing a showreel of old family photographs has already become a favourite – a moving and personal tribute.

Friends or relatives who are unable to attend in person can still be part of the service by watching and listening from anywhere in the world via live web-streaming.

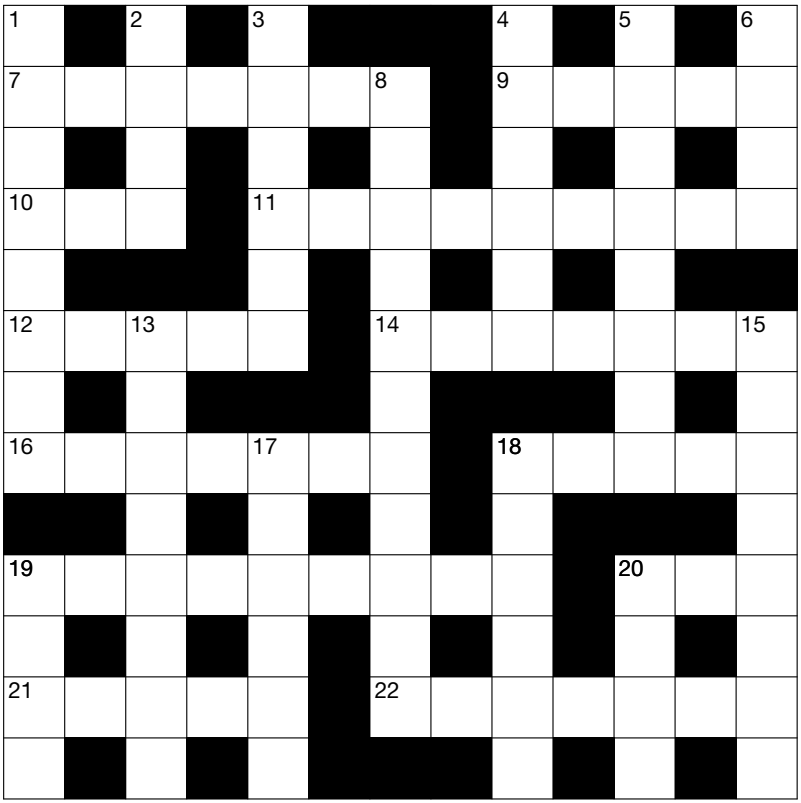

The adjoining function suite on site allows families to adjourn for refreshments immediately after the service, thus keeping everyone together.

Most families like to make the service their top priority but costs have to be considered. By using our Chapel and not one of the local crematoriums, savings of up to £530.00 can be achieved, meaning H D Tribe can now charge less than most of their competitors while still offering their renowned level of care, dignity and professionalism.
